

Aprenda a fazer!

Bilboquê

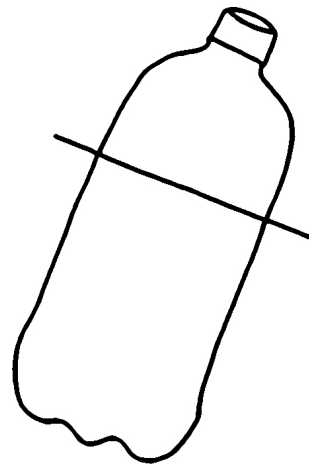

Material:

- garrafa PET
- folha de papel
- barbante
- tesoura

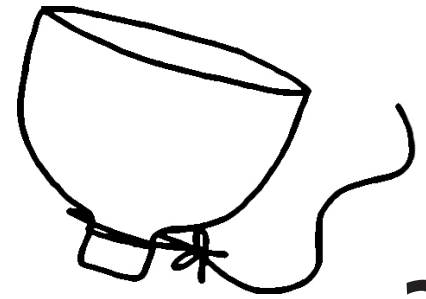

Modo de fazer:

1. Com a ajuda de um adulto, corte a garrafa ao meio com a tesoura.
2. Amarre o barbante no gargalo.
3. Faça uma bolinha com o papel.
4. Amarre a bolinha de papel na outra ponta do barbante. Pronto!

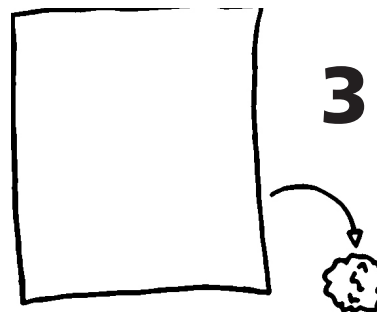

Agora o desafio é, segurando o bilboquê pelo gargalo, fazer movimentos para que a bolinha caia dentro da garrafa cortada.
